2. What are the facts of your case?

On December 3, 2017, I, WANDA E. Smith-Jeter, the Appellant(prose) in this case, filed a lawsuit for Retaliation under the Fair Housing Act in the United States District Court for Western Washington at Seattle. That lawsuit was the result of acts of retaliation against my husband and I, that we have suffered, for having filed a previous lawsuit against one of the defendants in this lawsuit (Artspace Everett Lofts Condominium Association or "A.E.L.C.A."), which was then still pending in the 9th Circuit Court of Appeals (case #2:14-cv-01584-JPD and 9th Cir. Docket No. 16-35196).

My husband and I are 67(sixty-seven) and 64(sixty-four) years old respectively and disabled. We are African-Americans. Both defendants in this case are of another race. The parties responsible for these acts of retaliation, our landlords Heidi Heimark and Liam Cole are white, but an additional involved party in one of the incidents—a tenant, Ammah (LINDA) Wilson is African-American. In light of the fact that this same individual (Ammah), has repeatedly harassed us in the past, any reasonable individual would find my claim of retaliation reasonable. Apartment managers Heidi Heimark and Liam Cole; the two named responsible parties in the original lawsuit (case #2:14-cv-01584-JPD and 9th Cir. Docket No. 16-35196) are the same two named responsible parties in this retaliation case—they are both employed by Quantum Management Services, Inc., who was hired by A.E.L.C.A. to manage the property on which we live.

Both defendants have agreed that the incident of retaliation that involved having the "hate speech", "DIE NIGGER DIE" posted for several weeks, near our mailbox in the apartment lobby where we live, was in violation of the Fair Housing Act. (see exhibit "A", attached.) (see also exhibits "B" and "C").

9<sup>th</sup> Cir. Case No. 18-35987

Page 3

Another involved party in a second incident of retaliation, along with our landlords Heidi Heimark and Liam Cole, Judy Touhy, Executive Director of the Schack Arts Center, is also white.

Although Judy Touhy was involved in harrassing and intimidating my husband and I during her campaign for Mayor of the City of Everett, WA, which she lost by a very close margin; Liam Cole and Heidi Heimark initiated the retaliatory acts of coercion, intimidation and fear of losing our housing by writing us an e-mail detailing what Liam and Judy had discussed regarding having me take a picture with her to be used for her campaign purposes. If my positive reputation with individuals within the Everett, Washington community was not worth some votes for her candidacy for Mayor of that city, I do not believe Judy Touhy would have sought me out to have a picture taken with her for use in her campaign. (see exhibits "I" and "J", attached)

However, even though my husband and I have lived in the same neighborhood in Everett since 1999 (except for Feb. 2009 - May 2012), Judy Touhy had never talked to us, prior to her campaign. Judy Touhy had many other means of reaching me besides contacting our landlord; such as seeing me in the parking lot, which we share, as she spoke to both me and my husband almost daily during her campaign; or looking at the address roster posted near the mailbox in the lobby of the building which "The Schack Art Center" shares with "Artspace Everett Lofts"; or even accessing the volunteer roster through Everett's City Hall, where she has been serving on the Everett, WA City Council for several years (see exhb. "D").

I believe that after Liam Cole or Heidi Heimark explained the management Policy against releasing tenant information, to Judy Touhy, that should have ended the inquiry. I believe that the sole purpose of the retaliatory e-mail, sent to us by Liam Cole was a veiled threat to harass, coerce, intimidate, alarm and frighten us; and it did. It served no other purpose, and

9<sup>th</sup> Cir. Case No. 18-35987

Page 4

I believe that any reasonable individual, (in light of our past and present relationships) would find my claim of retaliation reasonable. Apartment managers Heidi Heimark and Liam Cole; the two named responsible parties in the original lawsuit (case# 2:14-cv-01584-JPD and 9<sup>th</sup> Cir. Docket No. 16-35196), are the same two named responsible parties in this retaliation case. They are both employed by Quantum Management Services, Inc., who was hired by A.E.L.C.A., to manage the property on which we live.

I believe that I provided the court with sufficient evidence to prove a prima facie case for retaliation under the Fair Housing Act.

However, for the reasons they allege, the defendants failed to answer the "Second Amended Complaint", by the due date, even after having requested and having been given more time in which to answer, by July 23, 2018.

Then the plaintiff (pro se) filed a motion for default judgment. However, the case was allowed to proceed, after a conference hearing. The defendants finally filed an answer to the "Second Amended Complaint", on September 20, 2018.

The plaintiff's motion for default judgment had been filed on September 18, 2018; a full (2) months after defendant's notice of appearance had been filed on July 19, 2018. The defendants then filed a "motion for Summary Judgment," which was decided in their favor on November 19, 2018.

9th Cir. Case No. 18-35987

Page 5

3. What did you ask the originating court to do (for example, award damages, give injunctive relief, etc.)?

I asked the originating court to consider granting my original demand of six million dollars (\$6,000,000.00) or in the alternative, aide me in reaching a reasonable alternative settlement in this lawsuit.

4. State the claim or claims you raised at the originating court.

I filed that lawsuit, in the originating court for Housing Discrimination based on bias because of my race and retaliation for having filed a prior complaint. I believed that federal laws had been violated, in this case. As a then 63 year old plaintiff (pro se); my then 65 yr. old husband, Jesse James Jeter and I, who are both disabled, were the only African-American couple who had resided. in the 40-unit apartment building named "Artspace Everett Lofts", in Everett, WA; since we Moved-in on June 11, 2012.

I am a violinist; Jesse is a sculptor and painter and is a witness to all claims made in this lawsuit.

1) Since we moved-in, on June 11, 2012, I believe that our resident managers, Heidi Heimark and Liam Cole have repeatedly conspired with others, to stalk and harass us, as well as committed acts of bias against us.

2) Between 2012-2014, our vehicle was repeatedly vandalized; sometimes more than once daily, while it was parked in a locked garage beneath the building (that we live in). I therefore believe that some of the tenants may

9th Cir. Case No. 18-35987

Page 6

4.(cont'd)

have been involved. Again, in October, 2017, three (3) of the tires on our vehicle were flattened by punctures, though we now park outside.

[See Exhibit "A-B", attached].

3) During that same time period (October 2017), we noticed what was a boarded piece of artwork that was hanging a few feet from our mailboxes in the Artspace Everett Lofts lobby entrance [See Exhibit "C", attached].

Initially, the piece did not have an artist NAME nor title; just as it is photographed.

Approximately a week later, the title and artist name appeared beside the piece as "DIE NIGGER DIE" by Ammah Wilson. Beneath the title was a very wordy and to me, disturbing poem. Although the defendants contend that the artist intended no harm, I have reasons to believe that it was a veiled threat.

The sheer volume of such incidences over the past five and one half (5 1/2) years has convinced me that these were hate crimes committed against me and my husband, Jesse, because of our race. The harassment, bias and discrimination has been continuous, not limited to the incidences mentioned and are collectively evident that the ongoing acts of retaliation have denied us the peaceful enjoyment of our home and as well, has caused us much alarm and anguish.

Jesse has been diagnosed with cancer and I believe that the constant stress of such living conditions are a contributing factor in that diagnosis.

We both have suffered deteriorated health as a result of these

7. (cont'd)

Circumstances. I was forced to drop out of college, even though I was an "A" student.

I pray that the court will consider granting my demand, or in the alternative aide me in reaching a reasonable alternative settlement in this lawsuit.

5. What issues are you raising on appeal? What do you think the originating court did wrong?

A.) The issues being raised on appeal by the Appellant, are:

I. The issue of whether the defendants are guilty of the crime of "Retaliation" under the Fair Housing Act. (Appellees)

II. Whether the Appellant (pro se) in this case did successfully present a Prima facie case for "Retaliation", under the Fair Housing Act.

III. Whether the Appellant (pro se)'s request for Default Judgment should have been granted.

IV. Whether the Appellee's Motion for Summary Judgment, should have been granted.

B.) What I think the originating court did wrong was to rely on (2) contradictory statements of Cindy Huang (see attached Document #55; exhibit (4) and document #61), in making it's decision to grant a motion for summary judgment,

9<sup>th</sup> Cir. Case No. 18-35987

Page 8

5. (cont'd)

in this case, I also believe that the court overlooked the fact that the Appellant(pro se), had already established a relationship between Juoy Touhy and Artspace, in her "amended complaint" [see attached Exhibit "R"; page 2, item # "I."]

Also, lacking enough consideration given, were the declarations of Jesse James Jeter and Wanda F. Smith-Jeter; in the opinion of this Appellant(pro se).

6. Did you present all issues listed in #5 to the originating court? If not, why not?

Yes, I presented all issues listed in #5 to the originating court, to the best of my abilities.

7. What law supports these issues on appeal? (You may, but need not, refer to cases and statutes.

- Title VIII of the Civil Rights Act of 1968, as amended by the Fair Housing Act of 1988.

- FRCP 55 and Local Civil Rule 55;

Entry of Default - A party is in default when it fails to respond to a summons and complaint served on the party, in the time required by law. If a party is in default, the plaintiff can

7. (cont'd)

request that the default be entered into the Court record by the Clerk, which gives the plaintiff the opportunity to request a default.  
\*(This was done by the plaintiff, in this case.)

Entry of Default-(followed by):

Default Judgment- After the clerk's office enters a default against a party, Plaintiff may file a motion for default judgement. Default judgment is a judgment awarding the plaintiff the relief sought in the complaint, because the defendant has failed to appear in court, or otherwise respond to the complaint.

\*(This was done by the Plaintiff in this case.)

8. Do you have any other cases pending in this court? If so, give the Name and docket number of each case.

No, I do not have any other cases pending in this court.

9. Have you filed any previous cases which have been decided by this court? If so, give the name and docket number of each case.

Yes, I have filed a previous case which was decided by this court.

I also believe that I am also entitled by law, to Default Judgment.

Hi Jesse,

Thank you for this information.

You've done the right thing by filing a police report and getting your insurance involved. If you would prefer to park your car in the garage, please request that with site management.

We have had incidents in the past with theft and vandalism in the garage and management is not liable for damage or vandalism of vehicles parked in the garage and in the back alley spaces. It is for this reason that we encourage everyone to carry appropriate insurance.

In response to your concern over the artwork in the lobby, we reached out to the artist and have requested that the artwork be removed. Quantum and Artspace are committed to non-discrimination and consider this piece of artwork to be out of compliance with Federal Fair Housing Act. 

If you have further concerns about either of these incidents, please let us know so we can follow-up.

Thank you,

# Franklin, by 1.2 percent

11-26-2017

*'Favorite' Judy Tuohy's narrow lead shrank and then disappeared as small vote swings in several precincts shifted the early results*

BY JERRY CORNFIELD  
AND SCOTT NORTH  
*Herald Writers*

**EVERETT** — A poll conducted by Judy Tuohy in early September showed her a couple points ahead of Cassie Franklin in what would be a very close duel for Everett mayor.

On election night, Tuohy led by a slim 49-vote margin. That seemed to reinforce the survey's findings.

After two more rounds of tallying, her lead stood at 19 with 12,557 ballots counted.

Then everything changed.

On Friday Nov. 10, another 4,266 were tallied. This mix of ballots, most of which arrived by mail or were deposited in drop boxes on Election Day, went largely Franklin's way and she moved in front by 169 votes. Her lead peaked at 199 on Nov. 13 and is at 198 ahead of Tuesday's scheduled certification of results that will make her victory official.

Franklin, the mayor-elect, has received 7,815 votes, or 44.7 percent, to Tuohy's 7,617 votes, or 43.5 percent. There have been 2,068 write-in votes, most of those presumably for Gary Watts, the registered write-in candidate.

She will succeed the retiring Mayor Ray Stephanson and become the first woman elected mayor in the city's history. She will be sworn in Jan. 3. Tuohy will continue serving on the City Council where she has two years remaining on her current term.

At the time she took the lead, Franklin chalked it up to her supporters' tendency to vote late. It happened in the primary, too. She trailed Tuohy in the initial tally but wound up finishing first in the four-candidate contest.

Where did the decisive votes come from? To figure out where some of the bigger vote shifts occurred in the critical Nov. 10 count, the Herald analyzed precinct results from tallies done Nov. 9 and Nov. 15.

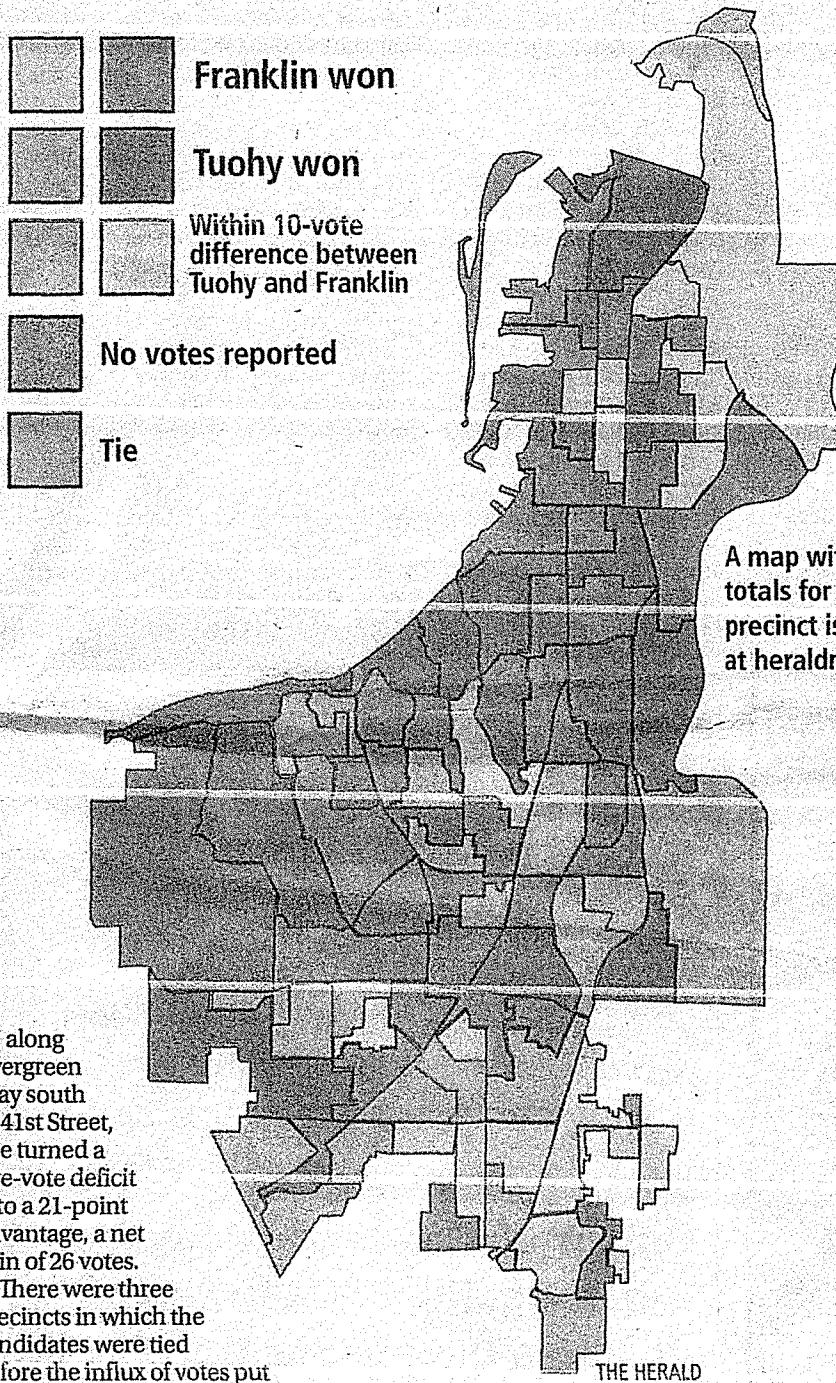

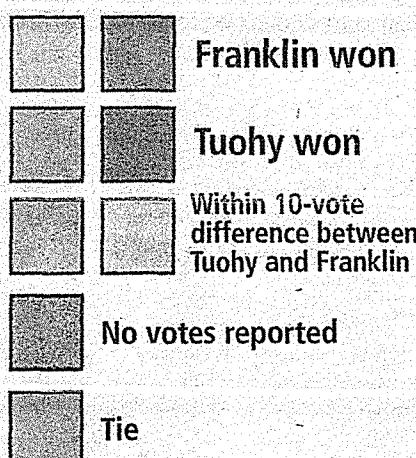

In that period Franklin went from trailing to leading in eight precincts. Significant vote swings in a couple of them provide big chunks of her lead.

In precinct 86, an area along Holly Drive around Challenger Elementary School, Franklin was behind by five votes then went up by 23, a net gain of 28 votes. In precinct

Park, where she turned a one-vote deficit into a nine-vote lead. In precinct 36, which is in the area of Broadway between 73rd St. SE and Madison Street, she went from trailing by eight to leading by two.

Tuohy's largest net gain, 21 votes, helped her nearly double her advantage in precinct 24 in the heart of the city. It starts at Forest

IN OPPOSITION TO

EVERETT LOFTS  
CONDOMINIUM ASSOCIATION

FOR SUMMARY JUDGMENT

I, Jesse James Jeter, do declare that I am over the age of eighteen (18) and that I also have personal knowledge of the things alleged in this opposition motion; and they are true.

I am a retired artist who resides in the City of Everett, Washington. I have not had, nor do I have any friendship, nor any kind of contact or relationship with Ammah Wilson. She is someone who lives in our building and therefore might be on the elevator upon its arrival or departure, as my wife and I come and go to or from our home; or pass us on the street.

9th Cir. Case No.  
18-35987

Page 20

2:17-cv-01857 JPD

Ammah Wilson has made unnecessarily adversarial overtures toward me in the presence of my wife on several occasions.

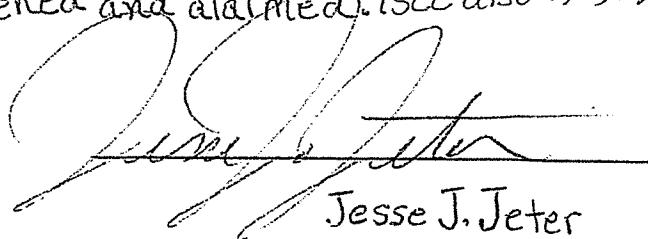

While I served on the City of Everett's Cultural Arts Commission, (see attached exhibit "A"), Ammah Wilson took the extreme measure of going onto the City of Everett's Official website to demand that I respond to her requesting the sale to her of an art print; which I had no intention of doing, because I don't have any for sale.

I don't know when the message was put on the website, but as soon as I happened to notice it there one day in 2017, I immediately contacted City Hall and they offered to remove it and I agreed.

I believe that Ammah Wilson was harrassing me.

Upon seeing the title, "Die, Nigger, Die", posted next to a piece of artwork that had been in the lobby of our building, near my mailbox for several weeks; my wife and I felt threatened and alarmed. (see also "D, E, G")

### ARTIST NARRATIVE FOR JESSE JAMES JETER – COMMUNITY SERVICE

Over the past five decades, one of the first things that Jesse has done upon settling into a new community is to voluntarily seek out ways in which to aide in forging a stronger sense of community through artistic collaboration. IN EVERETT, WASHINGTON:

#### FEBRUARY 2014

Jesse recently volunteered to donate and paint a “welcoming” mural for the City of Everett’s Carl Gipson Senior Center after seeing a request on the center’s “wish list”.

IN THE UNITED STATES DISTRICT COURT

No. C14-1584

DECLARATION OF CINDY HUANG IN  
SUPPORT OF DEFENDANT'S MOTION FOR  
SUMMARY JUDGMENT

I, Cindy Huang, do hereby swear under penalty of perjury under the laws of the State of Washington that the following is true and correct.

I am Portfolio Manager of Quantum Management Services, Inc., which is the property management company for ArtSpace Everett Lofts. ArtSpace Everett Lofts is one of the apartment communities that is in my portfolio, and that I manage. I do not work on-site, but am the regional manager for this and several other properties. I only met the Plaintiff during this lawsuit, but am quite familiar with the workings of ArtSpace Everett Lofts.

1 ArtSpace Everett Lofts contains 40 live/work affordable housing units which are set aside for  
 2 working artists. ArtSpace Everett Lofts is not a condominium, but rather multifamily affordable  
 3 housing.

4 The property is split into two entities: Artspace Residential and Schack Arts Center which was  
 5 purchased and is owned by Schack. The State of Washington wraps a condo over these two entities to  
 6 address shared expenses such as exterior lighting, landscaping, etc. The board as it sits is comprised of  
 7 a representative from Artspace and a representative from Schack. The 'board' meets annually to  
 8 review and adopt the annual budget and discuss any issues pending/up-coming in the coming year.

9 In terms of the rents for the tenants, the community is a participant in the Washington State Tax  
 10 Credit Program, which is administered by the Washington State Housing Finance Commission. Under  
 11 the program, the owner agrees to cap the rents at a certain level in exchange for income tax credits.  
 12 Unlike the HUD Section 8 program, there is no rent voucher, no tenant portion of the rent and  
 13 government portion of the rent. Whatever the rent is set at, the resident is responsible for payment of  
 14 100% of that amount on a monthly basis. In addition, under the tax credit program, the residents are  
 15 required to annually recertify their income to determine if they still qualify for living in tax credit  
 16 housing.

17 The website of Everett Artspace Lofts sets out the information about the tax credit program that  
 18 it is a participant of, and did so in 2012 when the Plaintiff first applied for tenancy. That information  
 19 on the website includes (please note this is current information):

20 Rents \$793.00 - \$1149.00

21 AEL is an income restricted project. To qualify for housing your income must be below the following categories. Half the  
 22 units are for artists earning less than 50% of area median income and half are for artists learning less than 60% of  
 23 area median income.

Anyone may apply for residency in our project and we will accept applications from anyone. Artspace Everett Lofts and Artspace Projects are committed to attracting creative individuals and families from diverse artistic and cultural backgrounds.

All of the units at ArtSpace Everett Lofts are governed by the tax credit program, so the rents are all set by the State. None of the tenants have rents that are determined by their individual incomes. Unless the tenant is also a voucher holder under the Section 8 program, there are no subsidies provided to the tenants for their rent. The management has no control over whether or not an individual tenant applies for or obtains a Section 8 voucher.

The Plaintiff and her husband were treated exactly the same as all of the other tenants at ArtSpace Everett Lofts, and in fact, if there was any difference in the treatment of them by the management, it was to go overboard to try and get them as tenants, and to try and keep them as tenants when they were having financial issues.

I am not aware of any instances where there have been complaints of any type of discrimination by the on-site management toward any of the tenants at ArtSpace Everett Lofts until the Plaintiff raised those claims in this suit. Her claims are a complete surprise to me and to Quantum Management—up to the receipt of this suit, the management has had no indication that the Plaintiff was not happy living at ArtSpace Everett Lofts, or had any ill feelings toward the management. Whatever her feelings are toward other residents, the management cannot do anything about those feelings, especially if they are not informed of any issues that the Plaintiff has with those other tenants. When they are informed of

11 Act.

14 9. Ms. Smith-Jeter and Mr. Jeter are both African-American.

15 10. Ms. Smith-Jeter and Mr. Jeter both have disabilities.

19 13. Ms. Smith-Jeter and Mr. Jeter are both artists and community activists.

1 basis of, at a minimum, their race. Such incidents amount to an attempt to harass the Jeters to  
2 such an extreme that they will vacate their unit. Such incidents include:

3 a. **Vandalism.** The Jeters paid for intermittent parking in ArtSpace Everett  
4 Lofts. On information and belief the garage is operated and managed by  
5 Quantum. Paid parking allowed the Jeters to access private parking in the  
6 locked garage beneath the building. Between 2012 - 2014, the Jeters'  
7 vehicle was repeatedly vandalized. On just one day, someone unplugged  
8 the back-up camera to the Jeters' vehicle two different times. In October  
9 2017, when the vehicle was parked in the rented space that was provided  
10 outside the garage, three (3) of the tires on the Jeters' vehicle were  
11 flattened at the same time by punctures.

12 b. **Harassment, Intimidation, and Retaliation.** In October 2017, a piece of  
13 artwork was placed in the lobby entrance to ArtSpace Everett Lofts. The  
14 artwork hung a few feet from the Jeters' mailboxes. The title of the  
15 artwork was "DIE NIGGER DIE." Given the historic use of the word  
16 "nigger" as a derogatory term, the Jeters felt intimidated and harassed by  
17 Defendants' actions displaying the piece. There is no legitimate, non-  
18 discriminatory basis for Defendants' actions displaying the piece.

19  
20 In approximately Summer 2014, the Jeters were in the lobby of the  
21 building. One of the property managers of ArtSpace Everett Lofts,  
22 William Cole, was present with a dog, a large pit bull. Mr. Cole unleashed  
23 the pit bull when he saw the Jeters and later laughed at the fear he caused  
24 the Jeters. Given the historic nature of dogs being used by law  
25 enforcement against individuals, the Jeters perceived Mr. Cole's actions to  
26 be an attempt to intimidate them.

Page 47

1  
2                   In late 2013 or early 2014, one of the property managers of ArtSpace  
3                   Everett Lofts, Heidi Heimark, blocked the Jeters from driving their van  
4                   out of their paid parking in the building garage. Ms. Heimark had  
5                   previously complained to the Jeters that she felt their vehicle "smoked too  
6                   much," despite the fact that the vehicle was licensed and in compliance  
7                   with all required state emission standards. On one occasion, Ms.  
8                   Heimark backed her car behind the Jeters' vehicle and blocked them  
9                   from moving. Ms. Heimark directed the Jeters to wait, telling them she  
10                  was going to have the other property manager, Mr. Cole, inspect the  
11                  Jeters' vehicle. The Jeters were stuck. Ms. Heimark refused to move her  
12                  car out of the way, and left the Jeters barricaded in the garage. The Jeters  
13                  felt harassed and intimidated by Ms. Heimark's actions.

14  
15                  On two occasions when Ms. Smith-Jeter was returning from outings, she  
16                  found a rope tied into the shape of a noose stretched out in the hallway by  
17                  the door to her unit. To enter her unit, Ms. Smith-Jeter had to step across  
18                  the noose or step around it. Given the historic nature of a noose and the  
19                  fact that Ms. Smith-Jeter and Mr. Jeter are African American, the noose  
20                  was plainly placed on the ground outside Ms. Smith-Jeter's unit in an  
21                  attempt to harass and intimidate her and Mr. Jeter. Defendants failed to  
22                  take action to address the harassment and intimidation in the building.

23  
24                  On information and belief, Ms. Heimark and Mr. Cole asked another  
25                  tenant of ArtSpace Everett Lofts to help them get the Jeters to move out of  
26                  ArtSpace Everett Lofts.

(Case No. 17-cv-1857) - 4

Exhibit "T"

1       17. By, among other things, permitting display of offensive and intimidating artwork  
2 depicting "DIE NIGGER DIE" next to Plaintiffs' mailboxes, and by targeting Plaintiffs with  
3 actions to intimidate them, Defendants acted with discriminatory motive based on Plaintiffs'  
4 race.

5       18. Ms. Smith-Jeter and Mr. Jeter have suffered emotional distress as a result of  
6 Defendants' actions.

7       19. Ms. Smith-Jeter and Mr. Jeter have been unable to peacefully reside at ArtSpace  
8 Everett Lofts as a result of Defendants' actions. Ms. Smith-Jeter and Mr. Jeter live in a state of  
9 fear and concern for their well-being.

10       20. Ms. Smith-Jeter and Mr. Jeter have experienced deterioration of their respective  
11 physical health as a result of Defendants' actions.

#### 12                                  IV. CAUSES OF ACTION

##### 13                                  **FIRST CLAIM: VIOLATION OF FAIR HOUSING ACT RETALIATION**

14       21. Plaintiffs incorporate by reference all preceding paragraphs.

15       22. Under 42 U.S.C. § 3617, the Fair Housing Act ("FHA") protects individuals from  
16 certain types of retaliatory conduct by making it "unlawful to coerce, intimidate, threaten, or  
17 interfere with any person in the exercise of enjoyment of" his/her housing rights under the FHA.

18       23. The Jeters engaged in protected activity under the FHA by, among other things,  
19 filing informal complaints to property management regarding race discrimination.

20       24. The federal Department of Housing and Urban Development identifies five non-  
21 exclusive examples of the type of conduct prohibited under Section 3617, including  
22 "[t]hreatening, intimidating or interfering with persons in their enjoyment of a dwelling because  
23 of the race, color, religion, sex, handicap, familial status, or national origin of such persons, or of  
24 visitors or associates of such persons."

SECOND AMENDED COMPLAINT  
(Case No. 17-cv-1857) - 5

9<sup>th</sup> Cir. Case No.

1 25. Defendants subjected the Jeters to adverse action including, without limitation,  
2 harassment, vandalism, and intimidation. The Jeters complained about the harassment,  
3 vandalism, and intimidation they experienced during their tenancy at ArtSpace Everett Lofts.  
4 26. Defendants failed to take appropriate action to address the actions against the  
5 Jeters.

6 **SECOND CLAIM: MALICIOUS HARASSMENT IN  
7 VIOLATION OF RCW 9A.36.083**

8 27. Plaintiffs incorporate by reference all preceding paragraphs.  
9 28. Under RCW 9A.36.083, an individual who is the victim of malicious harassment  
10 has private right of action.  
11 29. Plaintiffs suffered injury as a result of Defendants' actions, including emotional  
12 distress, deterioration of physical health, and an inability to enjoy their residence. On  
13 information and belief, Defendants' actions were racially motivated.

14 **V. PRAYER FOR RELIEF**

15 WHEREFORE Plaintiffs request judgment and seek relief as follows:

16 A. Damages in an amount to be proven at trial;  
17 B. Attorneys' fees and costs; and  
18 C. Other relief as the Court deems just and proper.
